Supplemental Amendment

[0001]   In a telephone discussion (on June 4, 2008), the Examiner indicated the instant case would be allowed if claims 28 and 36 are rewritten in a form such that an apparatus claim is not dependent upon a method claim. Applicant agreed to rewrite these claims into an independent form and to submit a Supplemental Amendment to expedite the process. Amendments are presented herein based on the discussion with the Examiner.

[0002]   This brief summary is not intended to represent the Applicant's full response to the Action. Rather, it is merely a brief summary of selected substantive portions of the response herein.
